Thereafter about 1000 copies of the Questionnaire were issued both to the officials and non-officials in Mysore and out of Mysore and time was given to get the replies by 5th November 1942 We received only about 150 replies The Secretary then prepared a Note on the replies sent to the Questionnaire and it was submitted to the members for discussion on the meeting held on 17th Nov 1942 It was then decided that evidence of some important persons such as Divines, on the question of religious mendicancy, and also on other points which were not clear from the replies received to our Questionnaire should be taken
